License under 35 U.S.C. 184 is hereby granted to file in any foreign country a patent application and any amendments thereto corresponding to the subject matter of the U.S. application identified above and/or any material accompanying the petition.

~~This license is conditioned upon modification of any applicable secrecy order and is subject to revocation without notice.~~

LICENSE NO. 505397
DATE 11/08/93

This license is granted retroactive to April 19, 1993, with respect to Canada.

Commissioner of Patents and Trademarks

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such application or applications.

This license does not empower the filing of any applications, amendments, supplements or continuances originating in this country which disclose inventions, modifications, or variations not disclosed in the subject matter identified above.

This license is to be retained by the licensee and may be used at anytime on or after the date thereof. This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lessen the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War); the Bureau of Trade Regulation, Office of Export Administration, Department of Commerce; and the Department of Energy.

LICENSE FOR FOREIGN FILING

Ex parte: Bobbie J. Bowden
Serial No.: 08/050,527
Filed: April 19, 1993
Title: AUTOMATIC DRILLING SYSTEM

In view of the communication(s) filed on May 20, 1993, and August 11, 1993, it has been determined that a retroactive license for foreign filing under 35 U.S.C. 184 be granted with respect to the filings listed below. The petition complies with 37 CFR 5.25 in that there is an adequate showing that the subject matter in question was not under a secrecy order, that the license was diligently sought, and that the material was filed abroad without the required license under 37 CFR 5.11 first having been obtained through error and without deceptive intent.
